

Environmental Cleanup and Stewardship

Services Overview

PEC supports multiple divisions within the Department of Energy (DOE) by drawing on our in-depth understanding of DOE programs, specialized insights, and seasoned expertise. Our work spans several DOE initiatives, with a strong emphasis on environmental services that reinforce these efforts. Specifically, in Environmental Cleanup and Stewardship, PEC provides substantial support to DOE Environmental Management (EM) Headquarters and field offices. Our team delivers a broad range of skills—including technical, managerial, regulatory, and engineering proficiency—ensuring comprehensive and effective solutions for the diverse needs of EM.

SBA-Approved Joint Venture

CENPEC

Centaur Consulting Group & Project Enhancement Corporation

Established in December 2022, CENPEC, LLC was formed through the formal approval of a Mentor-Protégé (MP) relationship by the Small Business Administration (SBA). This collaborative partnership brings together **Centaur Consulting Group LLC (Centaur)** as the Protégé and **Project Enhancement Corporation (PEC)** as the Mentor. CENPEC has all of the capabilities and experience of PEC and Centaur.

CENPEC is eligible for micro-purchases and any size standard under \$1M, in addition to qualifying for 8(a) directed procurements under \$4.5M.

Through a seamless integration of capabilities, CENPEC, alongside Centaur and PEC, demonstrates a track record of excellence in providing proven expertise across diverse domains, including environmental services, safety and health, technical support, and comprehensive training solutions for various federal government agencies.
