

# Organizational Support Services

## Services Overview

PEC's approach to organizational support is comprehensive and tailored, designed to empower clients with the skills and resources they need to excel. Through customized training programs, strategic business continuity planning, technology integration, and access to niche expertise, we ensure that each organization is equipped to overcome challenges and capitalize on opportunities. By aligning these services with clients' unique goals, we help them not only meet their mission but drive sustainable growth and long-term success.

## SBA-Approved Joint Venture

Established in December 2022, CENPEC, LLC was formed through the formal approval of a Mentor-Protégé (MP) relationship by the Small Business Administration (SBA). This collaborative partnership brings together **Centaur Consulting Group LLC (Centaur)** as the Protégé and **Project Enhancement Corporation (PEC)** as the Mentor. CENPEC has all of the capabilities and experience of PEC and Centaur.

CENPEC is eligible for micro-purchases and any size standard under \$1M, in addition to qualifying for 8(a) directed procurements under \$4.5M.

Through a seamless integration of capabilities, CENPEC, alongside Centaur and PEC, demonstrates a track record of excellence in providing proven expertise across diverse domains, including environmental services, safety and health, technical support, and comprehensive training solutions for various federal government agencies.
