

Safety & Health

It's in our DNA

Safety and Health

Services Overview

At PEC, occupational safety and health (OSH) isn't just a priority—it's a core mission. With a team of certified OSH experts and a proven record in Federal agency support, PEC delivers comprehensive OSH program management solutions tailored to clients like OSHA, NASA, and DHS. Our expertise spans workplace safety compliance, hazard analysis, data assessment, and custom database solutions with dynamic, user-friendly interfaces that drive change. From data-driven insights to impactful communication platforms and training, PEC empowers organizations to enhance safety, protect their workforce, and achieve meaningful, lasting improvements in OSH standards.

Specialty Areas

CENPEC

Centaur Consulting Group & Project Enhancement Corporation

Established in December 2022, CENPEC, LLC was formed through the formal approval of a Mentor-Protégé (MP) relationship by the Small Business Administration (SBA). This collaborative partnership brings together **Centaur Consulting Group LLC (Centaur)** as the Protégé and **Project Enhancement Corporation (PEC)** as the Mentor. CENPEC has all of the capabilities and experience of PEC and Centaur.

CENPEC is eligible for micro-purchases and any size standard under \$1M, in addition to qualifying for 8(a) directed procurements under \$4.5M.

Through a seamless integration of capabilities, CENPEC, alongside Centaur and PEC, demonstrates a track record of excellence in providing proven expertise across diverse domains, including environmental services, safety and health, technical support, and comprehensive training solutions for various federal government agencies.
